

Untranslated Sermons of C.F.W. Walther which are held by Concordia Historical Institute

The following is a list of sermons of C.F.W. Walther that have been untranslated in one of three states which can be seen in the “Status” column. The status “G” indicates that in addition to the handwritten original, there has been a published German transcription of the Sermon. The Status “O Tr” indicates that in addition to the handwritten original, there is a non-published transcription available at CHI. Thoe status “O” indicates that it is only available as a handwritten original. For a list of all the sermons of C.F.W. Walther including those that have already been translated into English as well as those that are available, but originals are not held by Concordia Historical Institute, contact the CHI reference desk at reference@lutheranhistory.org or (314)505-7935.
